Hillsboro Business Association

The mission of the Hillsboro Business Association (HBA) is to promote new and established businesses, maintain a favorable public relationship, and encourage support of one another within our community.

HBA is a dynamic, forward thinking organization where members are ambassadors of Hillsboro. By promoting the community as a whole, and encouraging support for our member businesses, HBA helps to grow Hillsboro and reinforces its reputation of hospitality. For more information on the HBA, please contact Deb Mueller at 701.636.4444

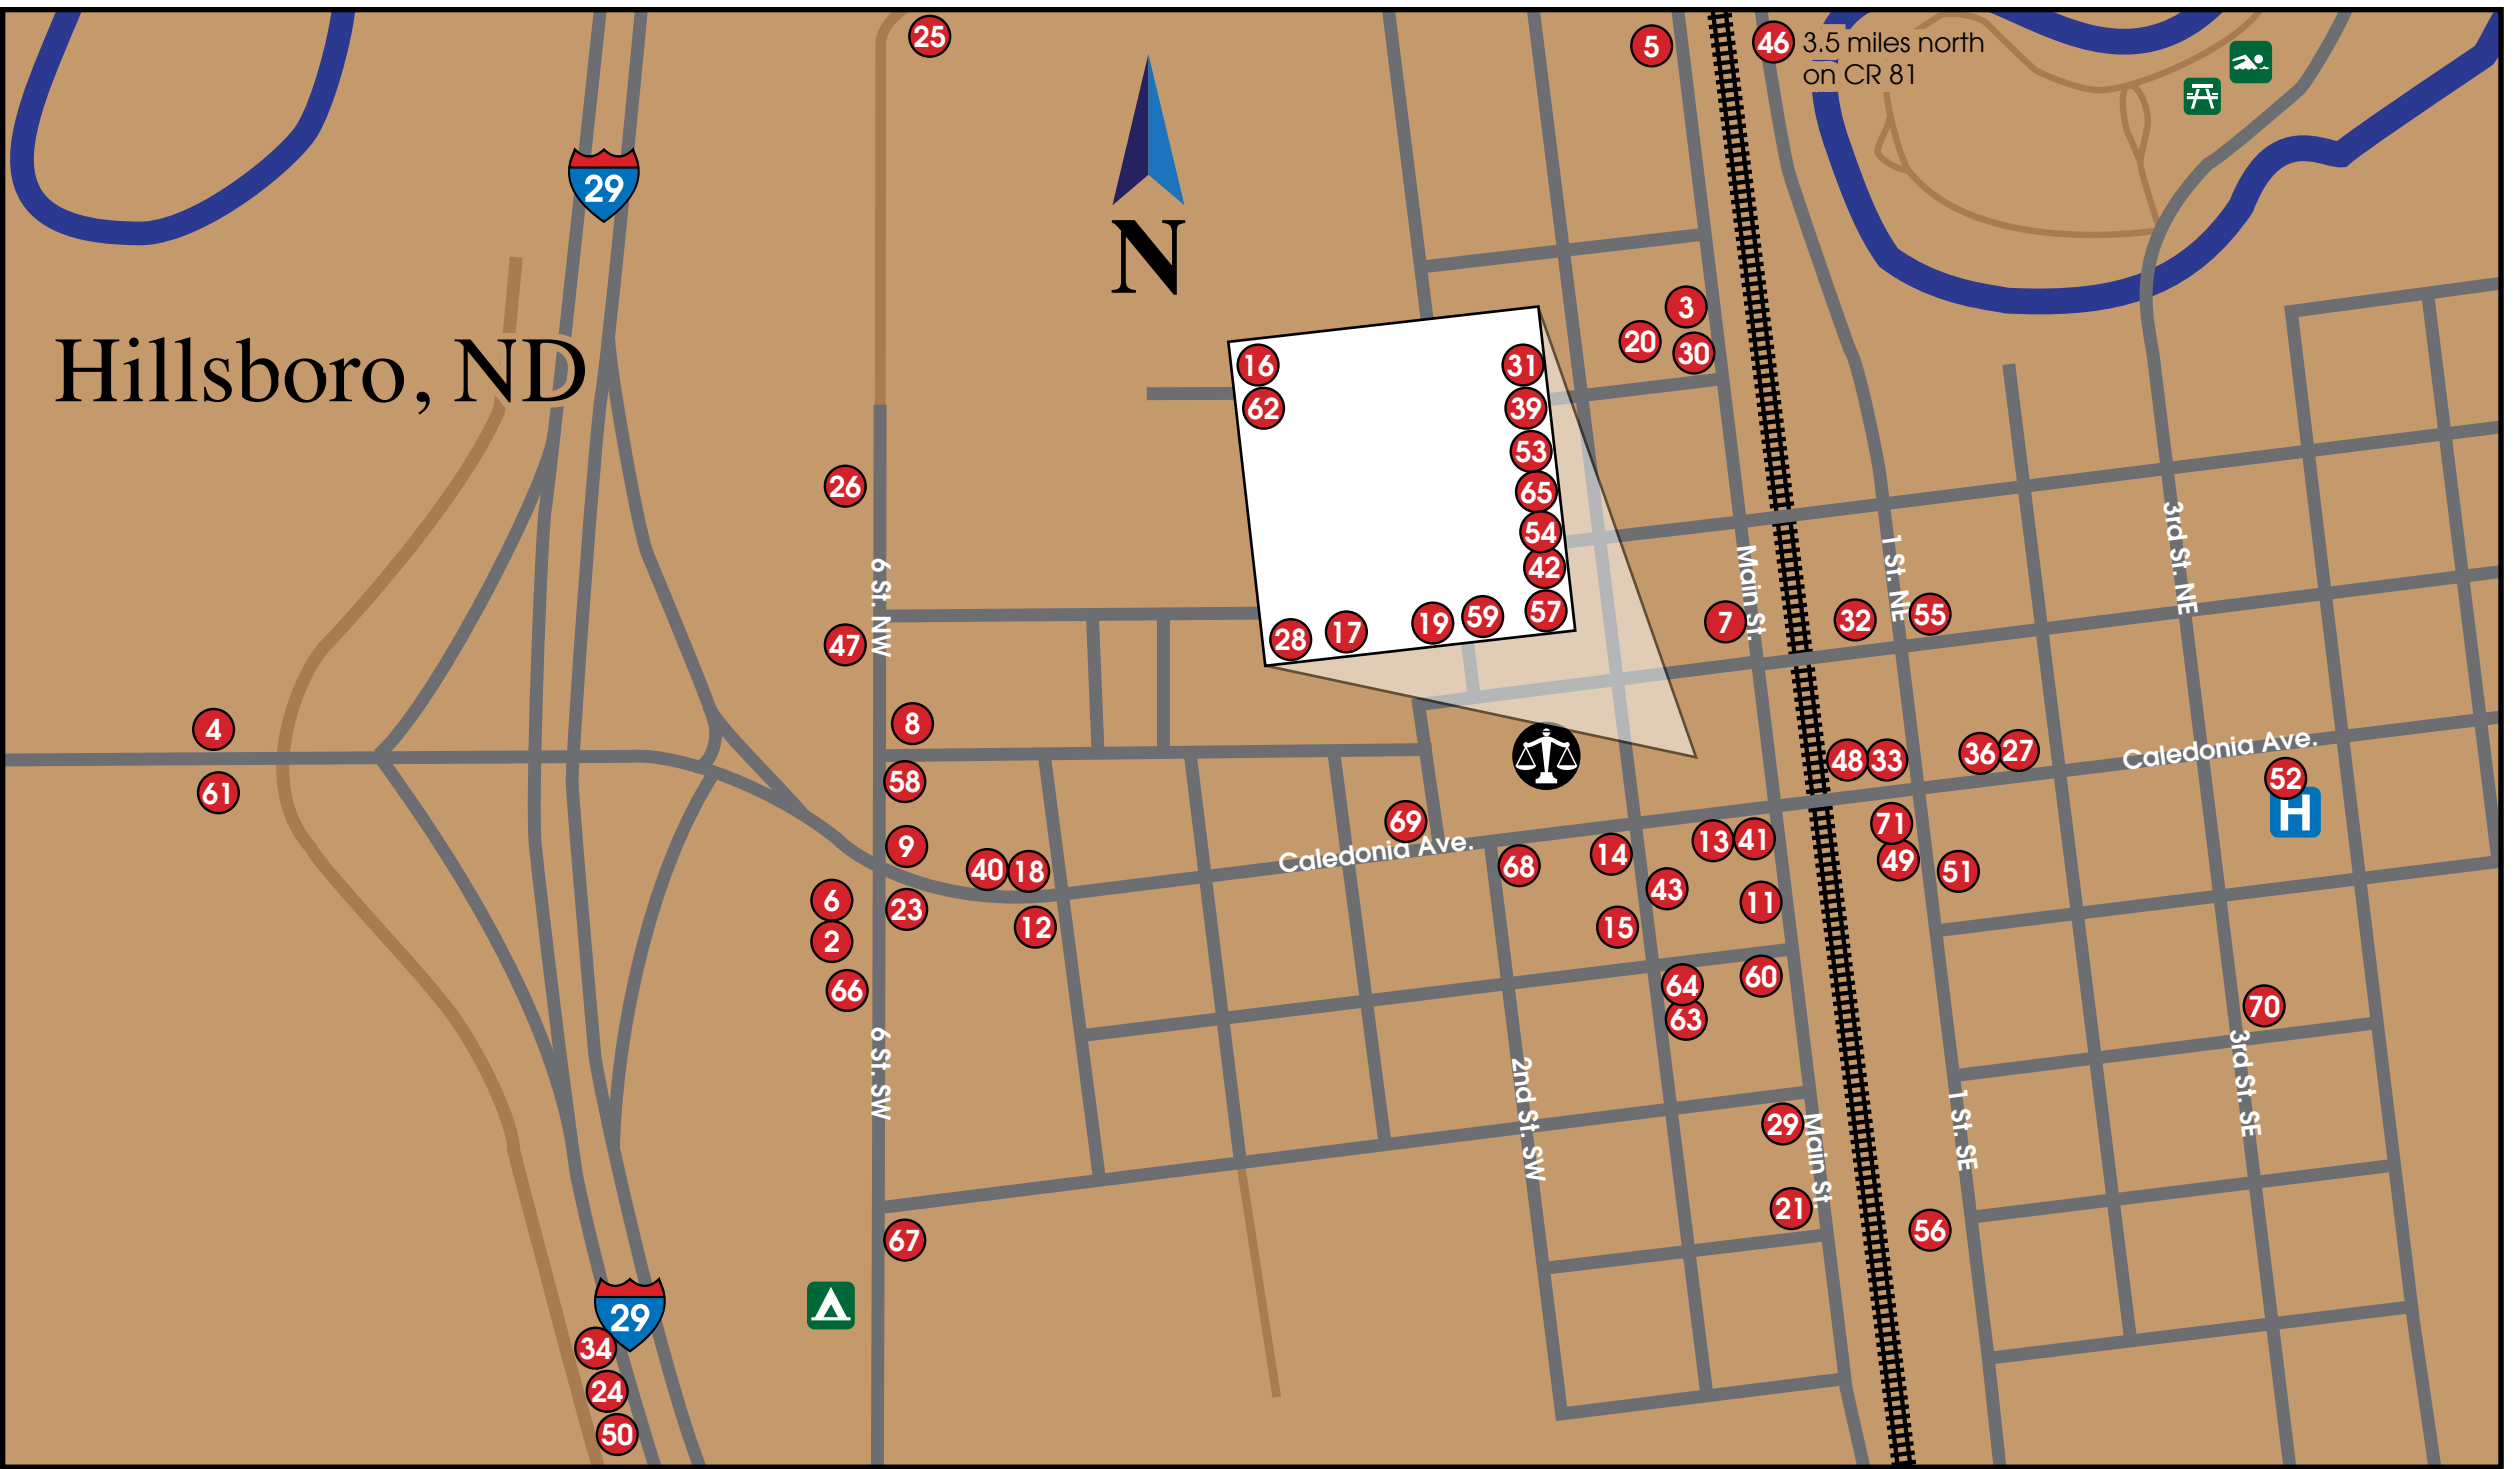

Hillsboro Bucks

Hillsboro Bucks are like a town gift card. Hillsboro Bucks can be used at any Hillsboro business and are available from the Hillsboro Business Association treasurer, Deb Mueller at Dakota Heritage Bank, 701.636.4444. Hillsboro Bucks are available in increments of \$5.00 and \$10.00 and expire six months from the date of issue. If the recipient does not use the Bucks by the given expiration date, they can be reissued by the treasurer. Hillsboro Bucks make great birthday, graduation, and holiday gifts!

Christmas Cash

The Hillsboro Business Association (HBA) in conjunction with the Hillsboro Economic Development Corporation is proud to sponsor the Christmas Cash promotion each year. HBA, through some of the local financial institutions, offers \$100-\$1000 interest-free loans to qualifying individuals. Christmas Cash may be spent at HBA member businesses from October through December 31st. Payments on these interest-free loans begin in January of the following year and continue through October. For more information regarding Christmas Cash, please contact Dakota Heritage Bank of North Dakota, The Goose River Bank, or any HBA member listed in this brochure.
